

Circle of the Silver Cord

2016 Séance Instructions & Precautions for Physical Circle

Physical Mediumship is a rare form of Mediumistic Phenomena and few Mediums subject themselves to this type of mediumship in today's public arena. Some mediums in the past have sustained serious injury and loss of life due to inappropriate conduct of persons during séances.

All séances that are held by David Thompson and the Circle of the Silver Cord, either by them or along with a hosting venue, are for the sole purpose of experimentation and entertainment. At no time will any member or agent of the Circle of the Silver Cord or their hosting venue be held responsible in any way for the content or communication (personal or otherwise) produced by whatever means in any séance.

We request that you read and accept the following conditions. If you are unable to accept any of the conditions listed, we request that you refrain from attending a séance conducted by the Circle of the Silver Cord.

1. All séances are held in complete darkness and can last between 1 to 2 hours. If you have a fear of the dark or are claustrophobic, you should not attend a séance.
2. Careful procedures are taken to protect the medium at all times. Therefore tickets cannot be resold or given to anyone else once a reservation has been made and paid for.
3. Anyone who is or may be pregnant must advise a Circle of the Silver Cord representative before booking a séance.
4. Individuals attending a séance must not use any unnecessary drugs or alcohol 24 hours before the start of the séance.
5. All persons, including the medium, will be searched thoroughly before entering the séance room. The following items must be removed before entering: shoes, jewelry, wallets, purses, bags, head gear, belts and watches. All pockets must be empty. All metal objects must be removed. All sources of light, mobile phones and any electrical equipment or machinery such as cameras and recording devices will not be permitted at any time without the written permission from the Circle of the Silver Cord.
6. All participants will be searched by hand by a member of the same sex and also by a metal detector. All participants must agree to being searched. Failure to comply with any reasonable request by the person conducting the search will result in exclusion from the séance.

7. If you have any communicable diseases or illness, common cough, cold or flu, we ask you to not attend without written permission from the Circle of the Silver Cord.

8. If you feel you would become distressed or unnerved in anyway by a spirit person communicating verbally or physically at the séance, you should not attend.

9. It is advisable to only have a light meal 2 hours before a séance, so that energy is not used in digesting food.

10. Sitters are asked not to make any unnecessary noise during the séance unless participating in the singing.

11. David Thompson or a representative of the Circle of the Silver Cord will give a talk on the séance protocols before the commencement of the séance. All participants must attend the pre-séance talk regardless of any previous attendances.

12. Once the séance room is sealed off, if a person were to panic or feel uncomfortable and wanted the leave the room, it is possible the séance would have to be terminated for everyone. So all persons are reminded that they have a responsibility to disclose any information that may affect the séance.

13. It is extremely important that guests come with an open mind to the séance. The success of the communication can come down to the positive vibration that those in attendance create. We ask that all worries and thoughts of the day be left outside.

14. Once invited into the séance room, sitters are asked to sit where directed by David Thompson or a designated representative. When possible, new sitters will be asked to sit between those who have sat in a previous séances. Once seated, we ask you to minimize movements and at no time exchange seats with any other person.

15. David will be secured into his chair with straps, cable ties and a gag. Independent checkers will be invited to check the straps and bindings. An independent checker will be chosen to keep possession of the cable cutter at all times during the séance.

16. All exits to the séance room will be closed and secured. A final light check will be conducted before the red light source is extinguished.

17. Sitters are asked to remain still and quiet throughout the séance, unless instructed otherwise by a spirit control or a circle representative. Exaggerated movements disturb the séance room energy and unexpected ectoplasm contact can cause grave harm to David.

18. Sitters must not touch or grab levitated objects or spirit entities, unless permission is expressly granted from a spirit person or the designated Circle Leader.

19. All persons when instructed to do so, must hold hands. This is done to ensure everyone is located in their assigned place and also to maintain the safety of the Medium.

20. At no time will any person be discriminated against by any member or representative of the Circle of the Silver Cord. All persons will be accepted to attend a séance by their own merit upon application.
